Spring Gardening Tips

Spring is an exciting time for gardeners as preparations are made for the bounty and beauty of the garden as it awakes from winter hibernation. Here is a helpful list of chores that should be tended to in the spring.

Pruning

For early blooming shrubs such as forsythia, prune them as soon as blooms have passed. Early spring is also an ideal time to prune your roses.

Weeding

Pull weeds from your beds and borders before they have a chance to take hold and spread.

Plant

Spring is a great time to add new plants to your garden. Be sure, however, that all threat of frost has past. Plant such things trees, shrubs, hardy annuals, and summer blooming bulbs.

Fertilize & Mulch

Fertilize and mulch beds and borders. If you applied heavy winter mulch for protection from the cold, you will need to clear it away.

Staking

Stake plants that may be prone to wind damage during the unpredictable spring weather.

Lawn Care

Spring is the best time to start a new lawn from seed. For established lawns, you should start mowing in the spring, but don't initially cut the grass very short for the first few times.

Of course, whether you start these chores in early, mid, or late spring depends on the climate where you live, taking in to account such factors as when the threat of frost has past or when the ground is thawed enough to dig. I hope these tips will give you a good idea as to where to focus your attention in your garden this spring. Enjoy!

**Just before the funeral services, the undertaker came up to the very elderly widow and asked,
'How old was your husband?'
'98,' she replied, 'Two years older than me'
'So you're 96,' the undertaker commented.
She responded, 'Hardly worth going home, is it?'**

The nice thing about being senile is you can hide your own Easter eggs.

**I feel like my body has gotten totally out of shape,
So I got my doctor's permission to
Join a fitness club and start exercising.
I decided to take an aerobics class for seniors.
I bent, twisted, gyrated, jumped up and down, and perspired for an hour but,
By the time I got my leotards on, The class was over.**

**THE SENILITY PRAYER : Grant me the senility to forget the people
I never liked anyway,
The good fortune to run into the ones I do, and
The eyesight to tell the difference.**

**I've sure gotten old! I've had two bypass surgeries, a hip replacement,
New knees, fought prostate cancer and diabetes
I'm half blind,
Can't hear anything quieter than a jet engine,
Take 40 different medications that
Make me dizzy, winded, and subject to blackouts.
Have bouts with dementia ..
Have poor circulation;
Hardly feel my hands and feet anymore.
Can't remember if I'm 89 or 98.
Have lost all my friends. But, thank God,
I still have my driver's license.**
